Dear Donor/Sponsor:

Thank you so much for your support of Whiskers, Wags and Wine 2017. With your help, our event was a huge success, and we were able to help both rescue groups and individual animals in need.

The net profit of the event, after expenses, was \$19,815.92. Two thirds of this profit went to support local rescue groups. With these funds we were able to provide medical supplies, food, dog beds, cat litter, and even toys for the shelter pets.

In addition to the supplies we were able to help the rescue groups provide treatment for:

- Tinkerbelle who had a growth on her leg and severe dental disease. The growth was benign and she is happy in her new home.
- Surrendered, 1 year old bulldog named Bubba who needed palate surgery.
- Popeye, a shelter dog with glaucoma who was relocated to NJ by a rescue group from Texas after Hurricane Harvey.
- A feral cat who was hit by a car. He had to have his leg amputated but throughout his care he became comfortable with people and “Fibro” was able to be adopted!
- Ginger who was rescued from the shelter with her 10 puppies was treated for heartworm disease.

The remaining third of the funds are reserved for grants for individual pets in need. So far your generosity has helped us:

- Treat Lucky, an injured kitten that was found at a construction site who was having seizures and appeared to have a broken tail. He is healthy and happy with the family who found him.
- Achieve diabetic stabilization for a cat that also needed treatment for a kidney infection.
- Treatment for a dog with severe allergies whose family currently has no income.
- Provide vaccines for forty baby raccoons.

We are looking forward to holding our Whiskers, Wags and Wine event in 2018, and we hope to have your continued support. Thank you again for all you have done to help those who cannot help themselves.
